The Ladies' Book of Etiquette, and Manual of Politeness John Wiley & Sons

"The Piano Improvisation Handbook" offers a comprehensive overview of the practical skills and theoretical issues involved in mastering all forms of piano improvisation. It explores a wide range of styles, including classical, jazz, rock and blues. Whereas other books on improvisation typically offer little more than models for imitation and exercises for practising, this one adopts an approach specifically designed to encourage and enable independent creative exploration. The book contains a series of graded tutorial sections with musical examples on CD, as well as an extensive introductory section detailing the history of keyboard and piano improvisation, an appendix listing useful scales, chords, voicings and progressions across all keys, a bibliography and a discography. In addition to sections outlining how melody, harmony, rhythm, texture and form work in improvised piano music, there are sections devoted to explaining how ideas can be developed into continuous music and to exploring the process of finding a personal style. A key feature is the distinctive stress the author puts on the interconnectedness of jazz and classical music where improvisation is concerned. This book is best suited to those with at least some prior experience of learning the piano. However, the rudiments of both music theory and piano technique are covered in such a way that it can also serve as an effective basis for a self-sufficient course in creative piano playing.

Mozart - 15 Easy Piano Pieces (Songbook) Alfred Music Publishing

How to Play the Piano Despite Years of Lessons Hal Leonard Corporation

Piano/Keyboard Methods/Series

The World Book Encyclopedia Alfred Music Publishing

A landmark volume exploring covert bias, prejudice, and discrimination with hopeful solutions for their eventual dissolution Exploring the psychological dynamics of unconscious and unintentional expressions of bias and prejudice toward socially devalued groups, Microaggressions and Marginality: Manifestation, Dynamics, and Impact takes an unflinching look at the numerous manifestations of these subtle biases. It thoroughly deals with the harm engendered by everyday prejudice and discrimination, as well as the concept of microaggressions beyond that of race and expressions of racism. Edited by a nationally renowned expert in the field of multicultural counseling and ethnic and minority issues, this book features contributions by notable experts presenting original research and scholarly works on a broad spectrum of groups in our society who have traditionally been marginalized and disempowered. The definitive source on this topic, Microaggressions and Marginality features: In-depth chapters on microaggressions towards racial/ethnic, international/cultural, gender, LGBT, religious, social, and disabled groups Chapters on racial/ethnic microaggressions devoted to specific populations including African Americans, Latino/Hispanic Americans, Asian Americans, indigenous populations, and biracial/multiracial people A look at what society must do if it is to reduce prejudice and discrimination directed at these groups Discussion of the common dynamics of covert and unintentional biases Coping strategies enabling targets to survive such onslaughts Timely and thought-provoking, Microaggressions and Marginality is essential reading for any professional dealing with diversity at any level, offering guidance for facing and opposing microaggressions in today's society.

ALFRED'S Group Piano FOR ADULTS Harrison Music Education Systems

This edition is comprised of 86 different technical exercises composed by Liszt during 1868 to 1880. Liszt intended these highly challenging exercises to build greater performance skills in virtuoso pianists. The complete series consists of twelve volumes, each one dealing with a different pianistic problem. This edition has been compiled from the original set to present the exercises in a reasonable length without harming the essence and effectiveness of the original work.

Microaggressions and Marginality Hal Leonard Corporation
