Beyond the Pleasure Principle-Group Psychology and Other Works Random House

Over 600 abstracts (350 words each maximum) of all papers and editor's notes comprising and following the sequence of James Strachey's Standard edition. Arrangement corresponds with the 23 volumes of the original. The accession number assigned to each abstract relates the Tyson and Strachey Chronological hand-list of Freud's works (International journal of psychoanalysis, 1956) to the volume and page number of the Standard edition. KWOC subject index.

The Complete Psychological Works of Sigmund Freud Vol. 14
Random House

In reasoned progression he outlined core psychoanalytic concepts, such as repression, free association and libido. Of the various English translations of Freud's major works to appear in his lifetime, only one was authorized by Freud himself: The Standard Edition of the Complete Psychological Works of Sigmund Freud under the general editorship of James Strachey. Freud approved the overall editorial plan, specific renderings of key

words and phrases, and the addition of valuable notes, from bibliographical and explanatory. Many of the translations were done by Strachey himself; the rest were prepared under his supervision. The result was to place the Standard Edition in a position of unquestioned supremacy over all other existing versions. Newly designed in a uniform format, each new paperback in the Standard Edition opens with a biographical essay on Freud's life and work --along with a note on the individual volume--by Peter Gay, Sterling Professor of History at Yale.

The Interpretation of Dreams (Second Part) and On Dreams (1900-1901) Franklin Classics

The Standard Edition of the complete works of the father of psychoanalysis - the only definitive paperback edition on the market. Translated from the German under the General Editorship of James Strachey; in collaboration with Anna Freud; assisted by Alix Strachey and Alan Tyson.
