Rafe comes from a long line of shifters. His father is a werewolf, and his mother is a weretiger. As he reaches puberty, he eagerly awaits his First Shift and finding out just what is his animal form. What powerful animal will complete him? Much to his disappointment, after going through the agony of his First Shift, Rafe discovers that he is not a wolf, tiger, or bear. He is not even a coyote or raptor, forms considered perhaps less prestigious in the tribe, but still acceptable. No, Rafe is a wererat, the only wererat

in anyone's memory.

Events work out to drive Rafe away from the tribe, to live out in the world at large. When he finally comes back for a visit, the tribe comes under attack from a group dedicated to eradicate all shifters from the face of the earth. The question is whether there is anything Rafe can do to help his tribe survive.

Does he have value in a tribe of powerful shifters, or is exile the proper place for a genetic regression such as him?

John Sutter, who left Switzerland to escape debtor's prison, came to California and built a giant land monopoly. Again, he became heavily in debt and died destitute. The entire Sacramento and San Joaquin valleys were

inundated for 300 miles long and 20 miles wide by the flood of 1862. The cholera epidemic killed more than 1,000 citizens, including doctors and others who were caring for the patients. The Old City Cemetery is an exciting place. As docents are quick to remind, "People are dying to get in here." The docents know their job. It's almost as though they are trying to bring the city's cemeteries back to life. We love the epitaph on one headstone that simply reads: "See ya later."

'The Sacred History' is an account of the workings of the supernatural in history. It tells the epic story of angels from creation to evolution,

through to the operations of the supernatural in the modern world.

Unearthing the Mysteries of the Inferno Sagwan Press

"A wondrous, sparkling fusion of wisdom and insight." - Patricia Santhuff What do the wonderful myths of ancient Greece, the beautiful stories in the Bible and Qur'an, and all the sacred stories from traditions around the world, have in common? They open our hearts to wonder, mystery, passion, and joy. I know, on the outside these stories seem very different, confusing, conflicting, and often violent and divisive. But when read symbolically and internally, they are all telling the same story. They show us the path of spiritual awakening and enlightenment.

Sometimes the story is called "Returning to the Promised Land."

Sometimes it's called

"Seeking the Holy Grail."

Sometimes it's called

"Persephone's Return to Olympus." But whatever

it's called, the inner meaning and purpose is always the same. The stories are all a call to awaken, to live passionately and consciously, and to enter

the door that leads to enlightenment and communion with the divine. The door is always open. The light is always ready to receive us. But we have to learn how to tread the path!

Fortunately, that's what all the sacred stories are really about. THE DOOR IS OPEN uncovers the 7 Universal Steps that are found within the symbols and allegories of all great mythology and scripture. Each chapter ends with a series of practical and enjoyable spiritual exercises and activities. You can do this work on your own, or together with a group. It could be a church or synagogue group, a book club, a classroom, or any group of friends who want to get together and expand their spiritual horizons.

Every so called, Black man, woman, child wants to believe that slavery is over. The reason being for this belief is because times have changed. But that's not true, times may have change, and the institution of slavery has changed with it, in how its introduced. Slavery has taken on a new form, and its through words, words that would imprison our minds

Father John wanted to keep his village of Cafgarven free from trouble but the surrounding countryside was in the grip of a rebellion against Great Britain's Crown forces. He found himself caught up in the horrid conflict of tit-for-tat murder when two individuals from either side of the struggle came to him for help. One was a Fenian rebel from a decimated flying column; the other was a young English Black and Tan. *Memphis 1873* Speedy Publishing LLC

Why does Dante describe the Inferno as a real place? What secret society did Dante belong to? What was Dante's connection with the Knights Templar? What was his secret connection to militant Islamic sects? Jonathan Black, author of the international bestseller *The Secret History of the World*, uncovers the real-life stories of Dante and *The Inferno*. Here you will find hidden codes, passageways under the streets of Florence, mad monks, mind-bending drugs and terrifying underground rituals. Together they contain all the elements of a great thriller - greed, murder, obsessive love, betrayal - and they reveal a 2,000-year-old conspiracy: to rule the world. Perfect if you want to understand the mysteries that

inspired Dan Brown's novel *Inferno*, or as a standalone initiation to one of the great turning points in occult history.

Tell em to hold on, a real bitch is coming.' Kahyla James was an ordinary girl with dreams of one day making it big. And she was well on her way, especially with a street gangsta like Anthony 'Boston' Dixon training her to be a self made bitch. But when she was betrayed by the people that she loved the most it forced her to take actions into her own hands and show the city just how ruthless she could be. Ride with Kahyla as she navigates the streets showing the gangsta's that the penalty for betrayal is still death.

Don Newman's first volume of Savannah centric poetry reflects the close personal relationship between poet and subject often found in work dedicated to a particular place. Such intimate subjectivity may seem lofty at times. But this Savannah native has a way of bringing

grandiose notions of his hometown down to earth. Here, the author's regional sensibilities-together with his stretch toward the universal-offer the reader a unique perspective and a tour of Savannah unattainable during a typical day of sightseeing. While by no means a comprehensive poetic look at the city, Newman's *Little Poetry Book of Savannah* will surely augment the traveler's backpack, give visitors a distinctive literary keepsake, and make the perfect gift for those back home who would like an authentic little piece of Savannah. Meditative, descriptive, fun, quirky, and enjoyably honest, Newman bares parts of his soul in this down-to-earth, head-in-the-clouds "poetry for everyone."  is an account of the

workings of the supernatural in history. It tells the epic story of angels from creation to evolution, through to the operations of the supernatural in the modern world. The Secret History of the World THE Translation of this venerable Piece of Antiquity is undertaken upon a double Score; being designed as well to entertain the Curiosity of the Learned, as to supply the Defects of the Ignorant. If the original Language would have been more acceptable to the one, it would have been less intelligible to the other. I cannot, without uttering a Falsity, venture to affirm that so singular and valuable a Piece will be made Public, at least as yet: And in the mean Time I shall flatter myself, that this little Essay may contribute in some sort or other to the diversion, if not Instruction, of People in every Condition of Life. If this is well received, the other Parts will make their Appearance at proper Distances of Time. I publish no more at present, because I would not be thought to impose too much upon any one's Patience; as for losing my own Labour, I am under no bad Apprehensions

about that; for the Reader cannot reject with a greater Disdain, than I have translated with Pleasure, the Contents of this Book.

""You're in luck, Alfred,"" he declared. ""That's the most interesting man in New York-one of the most interesting in the world. That's Sanford Quest."" ""Who's he?"" ""You haven't heard of Sanford Quest?"" ""Never in my life."" The young man whose privilege it was to have been born and lived all his days in New York, drank half a glassful of wine and leaned back in his chair. Words, for a few moments, were an impossibility. ""Sanford Quest,"" he pronounced at last, ""is the greatest master in criminology the world has ever known. He is a magician, a scientist, the Pierpont Morgan of his profession."" ""Say, do you mean that he is a detective?"" The New Yorker steadied himself with an effort. Such ignorance was hard to realise-harder still to deal with. ""Yes,"" he said simply, ""you could call him that-just in the same way you could call

Napoleon a soldier or Lincoln a statesman...""

 Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.

These are the questions facing John Kadel in "If only I could..." a simple story about love. This is not a romance. It is a tale of the true and lasting love each of us dreams about, the undeniable love only some of us find in a lifetime of searching. John Kadel is a stubborn, single old man with a colorful past and questions for which he has no answers. Not long after his doctor hands him a death sentence, John runs into someone from his past.

 Having survived the worst effects of the Civil War, the city of Memphis, battered but unbowed, finds itself facing a far more dangerous foe. It is invisible, lethal, and unstoppable: a plague of yellow fever. It is the story of JP Mahoney, 14-year-old farm boy who dreams of escape from tedious chores and farmlife routine. It is the story of a

courageous young woman, Ginnie Moon, onetime Confederate spy, who now operates a boarding house for men who have survived the war. And it is the story of Kevin O'Boyle, an embittered riverfront laborer, who blames the world for his troubles, and finds the crippled city his perfect prey. Several characters in the novel are actual historical figures, most notably Ginnie Moon, Judge "Pappy" Hadden, and Cap'n Jim Lee. Their actions, and those of the other characters, are entirely fictional. The plague, one of several to hit the city in the years following the war, was all too real.

 THE INTERNATIONAL BESTSELLER The complete history of the world, from the beginning of time to the present day, based on the beliefs and writings of the secret societies. Jonathan Black examines the end of the world and the coming of the Antichrist. Or is the Antichrist already here? How will he make himself known and what will become of the world when he does? Will it be the end of Time? Having studied theology and

learnt from initiates of all the great secret societies of the world, Jonathan Black has learned that it is possible to reach an altered state of consciousness in which we can see things about the way the world works that hidden from our everyday commonsensical consciousness. This history shows that by using secret techniques, people such as Leonardo da Vinci, Isaac Newton and George Washington have worked themselves into this altered state - and have been able to access supernatural levels of intelligence. This book will leave you questioning

every aspect of your life and spotting hidden messages in the very fabric of society and in life itself. It will open your mind to a new way of living and leave you questioning everything you have been taught - and everything you've taught your children.

 Simcha Guterman's, *Leaves from Fire*, is a firsthand account written with the deep sense of comprehension he was documenting the fate of his people. Knowing full well that his life was in danger, Simcha chronicled the occurrences of the

Holocaust on long scraps of paper, as they happened right before his eyes. The events described take place in Poland, during the first years of World War II. The author stuffed long paper scraps, written in Yiddish, into bottles and hid in them in different places. One of these bottles was discovered after the war. Simcha Guterman's work has been published and translated into eight different languages, receiving high praise from critics. The book's evocative illustrations were drawn by Yaakov Guterman, the author's son.
