Twelve Years a Slave (1853) is a memoir and slave narrative by Solomon Northup, as told to and edited by David Wilson. Northup, a black man who was born free in New York, details his kidnapping in Washington, D.C. and subsequent sale into slavery. After having been kept in bondage for 12 years in Louisiana by various masters, Northup was able to write to friends and family in New York, who were in turn able to secure his release. Northup's account provides extensive details on the slave markets in Washington, D.C. and New Orleans and describes at length cotton and sugar cultivation on major plantations in Louisiana.

The Audience Cincinnatus Press

From the bestselling authors of *In The Stillness* and *The Last Hour*, a new story of forbidden love and second chances. Savannah Marshall is a gifted flutist and daughter of musical royalty when she enrolls in the elite New England Conservatory of Music. Brilliant, eclectic and passionate, she lives music, but struggles with her plans for the future. Gregory Fitzgerald is one of the most renowned cellists of his generation. A member of the Boston Symphony Orchestra and professor at the Conservatory, he is laser focused on his career to the exclusion of friends, family and especially romance. When Gregory and Savannah's paths cross in the classroom, it threatens to challenge more than their wildly differing beliefs on music. Friendships, ethics, and careers are put on the line as Gregory and Savannah play a symphony of passion and heartbreak. In

the final movement, Gregory and Savannah are handed their greatest challenge, as the loss of absolutely everything they've held as truth hangs in the balance. What Readers Are Saying: ★★★★★ - "I love us." I fell in love with this book ... I loved the writing. I loved the story even more. Gritty. Raw. Sexy. Very sexy. ★★★★★ - The writing was beautiful, believable and honest ★★★★★ - Nocturne was one of the most beautifully written stories I've read in a long time *Girl of Vengeance* Destiny Image Publishers

A sensuous and richly-imagined historical novel that centers on a skilled young carpet weaver, her arranged marriage, and her quest for self-determination in 17th-century Persia. In 17th-century Iran, a 14-year-old woman believes she will be married within the year. But when her beloved father dies, she and her mother find themselves alone and without a dowry. With nowhere else to go, they are forced to sell the brilliant turquoise rug the young woman has woven to pay for their journey to Isfahan, where they will work as servants for her uncle, a rich rug designer in the court of the legendary Shah Abbas the Great. Despite her lowly station, the young woman blossoms as a brilliant designer of carpets, a rarity in a craft dominated by men. But while her talent flourishes, her prospects for a happy marriage grow dim. Forced into a secret marriage to a wealthy man, the young woman finds herself faced with a daunting decision: forsake her own dignity, or risk everything she has in an effort to create a new life.

Explorations of the Highlands of the Brazil Columbia University Press

Magazine editor Lilly Martin, packing up the vacation cabin she and her ex-husband owned in Cleary, North Carolina, where he now works as chief of police, becomes trapped in a snowstorm with Ben

Tierney, who she struck with her car while trying to drive down the mountain, and the situation becomes critical when she uncovers evidence that Tierney may be the serial killer who has been operating in the area for over two years.

The Life of John J. Crittenden AMS Press

It is a little known fact that reading was taught by means of spelling for over 200 years. Today the impact of spelling on reading achievement is not as well appreciated as it once was. The late Dr. Ronald P. Carver did extensive research into the causal relationships between spelling instruction and reading ability. Carver concluded, "One very important way to learn how to pronounce more words accurately is sometimes overlooked, that is, learning to spell more words accurately." (*Causes of High and Low Reading Achievement*, p. 178). He also notes that "spelling was used to teach reading for almost 200 years, but by the beginning of the 20th century, the tide had so turned that learning to spell was largely seen as incidental to learning to read." Quoting C. A. Perfetti, Carver observed, "practice at spelling should help reading more than practice of reading helps spelling." (p. 179. In June of 2004 Miss Geraldine Rodgers sent me her essay, "Why Noah Webster's Way Was the Right Way." She argued from the history of reading and the psychology of reading that Webster's spelling book method of teaching reading and spelling was superior to all other methods. I was surprised to learn that that Webster, in his 1828 *American Dictionary of the English Language*, defined a Spelling Book as, "A book for teaching children to spell and read." He also wrote under the entry, Spelling, "To tell the name of letters of a word, with a proper division of syllables, for the purpose of learning the pronunciation. In this manner children

learn to read by first spelling the words." You can see that Webster was quite clear about the dual purpose of the spelling books in his day. You can imagine my surprise at the improvement I began to get with my tutoring students when they started working through Webster's Spelling Book. I decided to type up my own edition to use in my private tutoring and my tutoring work at the Odessa Christian School in Odessa, TX, where I teach remedial reading and Spanish. In this edition, I have retained everything in the original 1908 (descendant from the 1829 edition). The only differences relate to formatting. I chose to list the words in rows instead of columns. I also allow the words to divide at the ends of lines. I have found that this works fine for all students. We are teaching students to read and spell by syllables and not by word shapes or context. When reading and spelling are taught by the Spelling Book Method, all guessing at words from shape or context is completely eliminated. The student's total focus is on pronouncing the words correctly, high levels of comprehension are a natural result.

The Before Midnight Scholar (Jou Pu Tuan)
Taylor & Francis

When I went to my neighbor's apartment to investigate strange sounds, I never expected to fall through a portal into another world. Yet here I am, a stranger in an even stranger land...and I'm stranded. In this world, might makes right, men carry swords, and gods walk the earth. Within minutes of arriving, I'm enslaved. Fun place. How do I get home? GREAT question. Wish I had an answer. The one person that might be able to help me is also the one person I want to throttle most. Aron, Lord of Storms, Butcher God of Battle, is my new companion. Or rather, I'm his. As Aron's anchor to the mortal realm, I'm the one that's supposed to be guiding him through his exile in the mortal world. Ha. Joke's on him. I know nothing about this place. But Aron and I have a common goal - get home. And we're bonded - anchor and god - with a bond unlike any other. So we travel together. We bicker. We bathe together. We fight our many, many enemies together. And sure, he's a god, but he's also an arrogant jerk. Brawny, smoking hot, irresistible jerk. I should want nothing to do with him. I certainly shouldn't want to do things to him. Mortals and gods don't mix. We stick to the plan and ignore our attraction. Focused, with one goal in mind. One task. One goal. Focused. I-oh heck, I'm going to end up kissing him again, aren't I?
Encyclopedia of Early Cinema Cincinnatus Press

This classic introduction to educational and psychological measurement provides a technically rigorous treatment of the core issues in measurement in an easy-to-read and easy-to-comprehend way. In preparing readers to become independent users of test information, it describes problems in measurement, explains how these problems are approached and solved, surveys a broad range of sources, and provides guidance in how to find, evaluate, and integrate information about specific tests. This book focuses on the basic issues in measurement. Offers an exceptionally readable presentation that does not require extensive math background. Makes frequent cross references to related topics found in other chapters. Increases emphasis on the assessments used by counselor/school psychologist.

Cincinnatus Press

For more than a decade, former New York City and State Teacher of the Year John Taylor Gatto has been among the most insightful and outspoken critics of American schooling, and an influential visionary of the future of education. Through hundreds of public talks, articles, interviews, and classroom projects, Gatto has shown decisively where our failing schools have gone wrong and what can be done to fix them. In *A Different Kind of Teacher*, the bestselling author of *Dumbing Us Down* has collected his most important writings of the past ten years -- reports, meditations, action plans, and jeremiads -- that will change forever the reader's understanding of how our system of education really operates, and how it can be rescued. Book jacket.

Love is the Heart of Everything

Today I feel silly. Mom says it's the heat. I put rouge on the cat and gloves on my feet. I ate noodles for breakfast and pancakes at night. I dressed like a star and was quite a sight. Today I am sad, my mood's heavy and gray. There's a frown on my face and it's been there all day. My best friend and I had a really big fight. She said that I tattled and I know that she's right. Silly, cranky, excited, or sad-- everyone has moods that can change each day. Jamie Lee Curtis's zany and touching verse, paired with Laura Cornell's whimsical and original illustrations, helps kids explore, identify, and even have fun with their ever-changing moods. Here's another inspired picture book from the bestselling author-illustrator team of *Tell Me Again About the Night I Was Born* and *When I Was Little: A Four-Year-Old's Memoir of Her Youth*.

The Poems of John Keats St. Martin's Press
2016 Winner of the Norma Fleck Award for Canadian Children's Non-Fiction 2016 ALA Stonewall Book Award, Honor Book 2016 ALA Notable Children's Book A comic book for kids that includes children and families of all makeups, orientations, and gender identities, *Sex Is a Funny Word* is an essential resource about bodies, gender, and sexuality for children ages 8 to 10 as well as their parents and caregivers. Much more than the "facts of life" or "the birds and the bees," *Sex Is a Funny Word* opens up conversations between young people and their caregivers in a way that allows adults to convey their values and beliefs while providing information about boundaries, safety, and joy. The eagerly anticipated follow up to Lambda-nominated *What Makes a Baby*, from sex educator Cory Silverberg and artist Fiona Smyth, *Sex Is a Funny Word* reimagines "sex talk" for the twenty-first century.
Today I Feel Silly & Other Moods That Make My Day Simon and Schuster
Just Remember to Breathe explores the hearts of soldiers returning home from war and the women who love them. A sweet love story about second chances and redemption. -- New York Times Bestselling Author Colleen Hoover More than just a love story, *Just Remember to Breathe* is a poignant novel about difficult life choices, personal growth, and second chances. I highly recommend it. -- Melissa Brown, author of *Wife Number Seven* *Just Remember to Breathe* was the first book published in the Thompson Sisters series and can be read as a standalone. Alex Thompson's life is following the script. A pre-law student at Columbia University, she's focused on her grades, her life and her future. The last thing she needs is to reconnect with the boy who broke her heart. Dylan Paris comes home from Afghanistan severely injured and knows that the one thing he cannot do is drag Alex into the mess he's made of his life. When Dylan and Alex are assigned to the same work study program and are forced to work side by side, they have to make new ground rules to keep from killing each other. The only problem is, they keep breaking the rules. The first rule is to never, ever talk about how they fell in love. About The Thompson Sisters *Just Remember to Breathe* was the first book published in the Thompson Series. In chronological order when the story takes place: *Thompson Sisters * A Song for Julia* - 2002 * *Just Remember to Breathe* - 2012 * *The Last Hour* - 2013 *Thompson Sisters - Rachel's Peril * Girl of Lies* - 2014 * *Girl of Rage* - 2014 * *Girl of Vengeance* - 2014 *Spinoff Novellas * Falling Stars* - 2003 * A

View From Forever - 2007 What Bloggers and Readers Are Saying: ★★★★★ -- A heartwarming and emotional second chance romance standalone. The writing was truly breathtaking!!! -- Aestas Book Blog ★★★★★ -- 2012 Favorite. I was utterly and completely blown away by this book. ★★★★★ -- this one has impressed me twice with his ability to create strong, layered characters and solid relationships ★★★★★ -- a beautifully written story about guilt, regret, life changing situations, and trying to work through all of that for the sake of love and happy endings... My heart broke for Dylan... one of my new favourite authors. -- Kelly, Have Book Will Read ★★★★★ -- Overall this has become another one of my favorites in the NA genre. I would very highly recommend it. Seriously, check it out. Especially if you enjoyed Easy by Tammara Webber. -- YA Books of Witchcraft and Wizardry ★★★★★ -- I love, love, love an exceptional second chance romance story...One of my favorite types of hero is the man in uniform. I love all aspects of their personality - strength, protectiveness, pride, love of country, fierceness... an unforgettable read for me - Alyssa, Hesperia Loves Books

Heaven & the Gracious King Lulu.com
For sixty years, Queen Elizabeth II has met with each of her twelve Prime Ministers in a private weekly audience. The discussions are utterly secret, even to the royal and ministerial spouses. Peter Morgan imagines these meetings over the decades of the Queen's remarkable reign, through Prime Ministers from Winston Churchill and Margaret Thatcher to the 2015 incumbent David Cameron. THE AUDIENCE is a glimpse into the woman behind the crown, and the moments that have shaped the modern monarchy.

In the third and final book of the Rachel's Peril trilogy, prepare to have everything you thought you knew turned upside down. In the first seven days of this trilogy, everything changed. Now Andrea and Dylan are on the run and the Thompson Sisters are fighting to survive events outside of their control.

Prayer at Rumayla Infobase Publishing
In the spring of 1991, nineteen-year-old Chet Brown arrived home from the Gulf War. Yellow ribbons were everywhere, families were reunited, and the nation breathed a sigh of relief at the quick and painless victory over Iraqi forces. But for Chet Brown, that victory was neither painless nor easy. Troubled by rage he can't explain and nightmares he can't stop, he finds himself moving through a world where little makes sense anymore.

When the people he depended on the most turn their back on him, Chet travels across the country in search of meaning behind the horrors of his war.

Bound to the Battle God Seven Stories Press

An A-Z reference providing concise and accessible information on Ancient Egypt from its predynastic cultures to the suicide of Cleopatra and Mark Anthony in the face of the Roman conquest. Annotation. Bunson (an author of reference works) has revised her 1991 reference (which is appropriate for high school and public libraries) to span Egypt's history from the predynastic period to the Roman conquest. The encyclopedia includes entries for people, sites, events, and concepts as well as featuring lengthy entries or inset boxes on major topics such as deities, animals, and the military. A plan and photograph are included for each of the major architectural sites.

Sex Trafficking Cincinnatus Press

I Will Survive is the story of Gloria Gaynor, America's "Queen of Disco." It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including "Honey Bee," "I Got You Under My Skin," "Never Can Say Goodbye," and the song that has immortalized her, "I Will Survive," which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.

The Blood of Flowers Harper Collins

The original novel that inspired the films! First published more than fifty years ago, Pierre Boulle's chilling novel launched one of the greatest science fiction sagas in motion picture history. In the not-too-

distant future, three astronauts land on what appears to be a planet just like Earth, with lush forests, a temperate climate, and breathable air. But while it appears to be a paradise, nothing is what it seems. They soon discover the terrifying truth: On this world humans are savage beasts, and apes rule as their civilized masters. In an ironic novel of nonstop action and breathless intrigue, one man struggles to unlock the secret of a terrifying civilization, all the while wondering: Will he become the savior of the human race, or the final witness to its damnation? In a shocking climax that rivals that of the original movie, Boulle delivers the answer in a masterpiece of adventure, satire, and suspense.

Hair Salon Appointment Book Penguin

Featuring more than 700 illustrations and photographs, presenting quotes from individual novels and authors, and completely revised for 2012, this is the ideal book for everybody who loves reading.

Journal Cincinnatus Press

William Tecumseh Sherman was an American soldier, businessman, educator, and author. He served as a General in the Union Army during the American Civil War (1861-65), for which he received recognition for his outstanding command of military strategy as well as criticism for the harshness of the "scorched earth" policies that he implemented in conducting total war against the Confederate States. Military historian Basil Liddell Hart famously declared that Sherman was "the first modern general". Sherman served under General Ulysses S. Grant in 1862 and 1863 during the campaigns that led to the fall of the Confederate stronghold of Vicksburg on the Mississippi River and culminated with the routing of the Confederate armies in the state of Tennessee. In 1864, Sherman succeeded Grant as the Union commander in the western theater of the war. He proceeded to lead his troops to the capture of the city of Atlanta, a military success that contributed to the re-election of President Abraham Lincoln. Sherman's subsequent march through Georgia and the Carolinas further undermined the Confederacy's ability to continue fighting.

He accepted the surrender of all the Confederate armies in the Carolinas, Georgia, and Florida in April 1865. When Grant became president, Sherman succeeded him as Commanding General of the Army (1869-83). As such, he was responsible for the conduct of the Indian Wars in the western United States. He

steadfastly refused to be drawn into politics and in 1875 published his *Memoirs*, one of the best-known firsthand accounts of the Civil War.
