Finally! Board member orientation truly simplified. Serving on a nonprofit board can be an incredibly rewarding experience for the properly prepared board member. This book is for the generous and busy people who agree to give of their time and talents by serving on nonprofit boards. Nonprofit boards often fail to do a good job of board member orientation for a variety of reasons. It takes a significant amount of time and effort to plan and conduct quality board member orientation programs, and every time a new board member arrives, it's time to do it again! Because of the challenges associated with providing quality board member orientation, many nonprofit organizations do not do it at all, leaving their board members to wing it. This book provides help and support to the truly great men and women serving on nonprofit boards whose service makes a positive difference in the lives of countless people every day. This book is a concise and appropriately comprehensive guide to nonprofit board service designed especially for new board members. It is a quick read, (about one hour), yet it addresses with accuracy the most significant elements of board service, such as mission, responsibility, duty, risk, liability, and board meeting dynamics. Hooy Alerts! Watch for Hooy Alerts! where the author identifies and dispels common myths and legends about nonprofit board service. There are many sources of false or misleading information about the nonprofit board service environment. A perfect example is the often vaguely-worded and intimidating assertion or implication that the Sarbanes-Oxley Act passed by Congress in 2002 applies to nonprofit organizations in a manner similar to how it applies to publicly-traded companies. (It does not.) Reviews "This book is the perfect guide for every nonprofit board member! Concise, highly informative, and loaded with nuggets of wisdom, it's a must read that will take board members to the next level of successful board governance." -- J. Todd Chasteen, General Counsel, Samaritan's Purse "Mike Batts has put his quarter century of advising and serving on nonprofit boards to good use in this accurate and easy-to-read book. In addition to describing major principles of nonprofit law and governance, the book provides helpful questions to guide board members in understanding the practical applications of the concepts discussed. While geared primarily toward helping new board members get up to speed quickly, it should also help veteran board members discharge their stewardship roles wisely and efficiently." -- Chuck Hartman, Associate Professor of Business Law and Accounting, Cedarville University "This book, Board Member Orientation, is exactly what a busy volunteer board member needs. The board member's duties are presented in a clear and concise manner from the perspective of someone who has been around many boards. With a focus on those issues that are most common and/or most important, it is perfect for board member orientation and for quick reference reminders for the experienced board member." -- Doug Starcher, Partner, Broad & Cassel "This book provides clear, no-nonsense guidance on the basic issues for new nonprofit board members. Using this book for board member orientation will ensure your organization has communicated fundamental governance issues and will assist the board in determining risk management strategies." -- Dan Busby, President, ECFA ***** The Simple Board Member Orientation Process Using This Book: 1. Your board members read Chapters 1-9 of the book, which will provide them with insights regarding the key elements of nonprofit board service. 2. You provide the board members with copies of the documents described in Chapter 10 related to your organization. 3. You meet with your board members to discuss the unique attributes of your organization following the discussion questions provided in Chapter 10. Done!

This textbook covers the fundamentals of organizational development and change (ODC) theory while offering a comprehensive, structured, and systematic approach to guide change management strategies at the organization level. It provides an in-depth understanding of and the tools necessary for designing, diagnosing, implementing and evaluating organizational change interventions. Students will be exposed to case studies in ODC from selected international and Caribbean/Latin American organizations, demonstrating ODC in practice across a broad geographical context. This textbook, the first to offer a macro-level perspective of ODC, provides students with the tools needed to be successful in implementing change into today's organizations.

Heavily autobiographical, *Drugs and Spirituality* follows one man's journey into the self; first with drugs and then later with Spirituality. A practical guide for anyone using drugs to explore the self, France's advice is both encouraging and cautionary. An entertaining and informative look into the world of drugs, spirituality, and the true seeker. Whether you are at the beginning of your journey or approaching Buddha like status, this book can help you understand yourself better and give you some options on how to proceed. France's honest writing lays it all out there for the reader to lap up like primordial soup. Meander with France through the barely eventful early times and then be thrust full force into his debauchorous San Francisco Ecstasy years - only to crash down in Los Angeles, where, through spirituality, he was finally able to work his way into a true understanding of the world. His journey is your chance to understand your own.

[Changing the Course of Destruction](#) Addison-Wesley TINKER BELL TALKS, Tales of a Pixie Dusted Life, is a memoir of Margaret Kerry and the magic of being Walt Disney's Tinker Bell a Hollywood kid-performer who turns into a Hollywood grown-up entertainer and story teller ... dozens of show-biz photos (including rare 'Little Rascals' images) along with unique art work to keep things even more interesting. 105 Essential or Fundamental French Verbs is a bilingual French-English manual which presents an innovative learning method for those who wish to master the French indicative mood. By classing the verbs in terms of frequency of use, both oral and written, the teacher or student is able to progress logically and at his own rhythm. In order to help English speakers learn the correct French pronunciation, a simple color coding has been applied to signal complex sounds and to indicate silent letters. To reinforce a cumulative learning experience, each new element is subsequently recapitulated through diagrams and tables that show how it is used in the different tenses, as well as how these are formed. MARIANNE YAYANE VERBUYT is a teacher and educator with a passion for transmitting knowledge. After more than two decades working within some of the most renowned scholastic institutions in Europe and the United States, as a co-author of the book, "Apprendre malgré le handicap ou la maladie" and as the primary educator highlighted in the acclaimed documentary, "Sur la route couleur de sable," Marianne decided to apply all of her pedagogical experience to understanding the mechanisms of learning. Integrating feedback from her many students, she figured out a coherent and innovative way to communicate the complexities of the French language to a non-French speaker. The simple and graphic aesthetic of this manual is intended to transform the student into a powerful participant in his or her own learning process."

The way we manage organizations seems increasingly out of date. Deep inside, we sense that more is possible. We long for soulful workplaces, for authenticity, community, passion, and purpose. In this groundbreaking book, the author shows that every time, in the past, when humanity has shifted to a new stage of consciousness, it has achieved extraordinary breakthroughs in collaboration. A new shift in consciousness is currently underway. Could it help us invent a more soulful and purposeful way to run our businesses and nonprofits, schools and hospitals? A few

pioneers have already cracked the code and they show us, in practical detail, how it can be done. Leaders, founders, coaches, and consultants will find this work a joyful handbook, full of insights, examples, and inspiring stories.

Lucky child - what a wondrous world you live in! This is the theme of *Little Blue Planet* - a book meant to be read aloud to very young children. As you and the child explore the pages of this book, you will encounter the natural wonders of our world: forests, jungles, volcanoes, swamps, coral reefs and many more. Each of these wonders is captured in a two-page spread, with a scenic watercolor on the left and an imaginative view featuring a child on the right. This book is a first travelogue for the tiny set. It is primarily a picture book, but has just enough text to provide context and encourage the child to imagine what it would be like to visit this place. This book makes for a beautiful and quick read.

You will learn how to structure the classroom experience in such a positive way that I guarantee it will make a difference in your professional life and in the lives of your participants. The techniques outlined in this book will help you to become the Great Trainer you have always wanted to be - because although good trainers may know these methods, Great Trainers make it happen! Inside, you will discover how to: -Create an inviting physical and emotional learning environment for your students. An inviting learning environment leads to higher levels of participation, retention, and on-the-job application! -Be less of an instructor and more of a "Tour Guide." Utilizing tour guide techniques will make your class anything-but-ordinary, causing people to look forward to your next event! - Utilize Great Trainer techniques whether you're facilitating a 5-day course, a 60-minute training session, or a 15-minute

presentation! -Apply the techniques that will help you go WACCO for your participants - without spending a dime! Get on the road to continuous training improvement and start reading!

The successful implementation of organizational change at SonyEricsson from a management perspective Macmillan/McGraw-Hill School

*In Don't F**k It Up: How Founders and Their Successors Can Avoid the Clichés That Inhibit Growth*, author and six-time second CEO Les Trachtman offers his expertise on the most effective ways to successfully hand off your company to a worthy successor. He also has advice for those who are inheriting a business and want to take it to the next level, as well as for boards who are dealing with these leadership transitions. In his direct, no-nonsense approach, Les shows readers how seemingly harmless business clichés such as "get it right" and "be careful" can have a detrimental effect on a company's future by conveying that such imperative ingredients such as risk and innovation are things to now be avoided. Readers will learn how to: • Understand the metamorphosis required to transition from great founder to great CEO • Know when, and if, it's time to replace yourself • Pick the right successor • Prepare yourself and your company for the fragile transition • Create a successful CEO transition • Separate yourself from the company There is likely no one more experienced in founder transitions than Les Trachtman. He has been an innovative and respected successor at six different companies; let his hard-won advice guide you through your transition and toward success.
