Riding motorcycles is  
fun, but author Ken  
Condon maintains that

there is a state of  
consciousness to be  
achieved beyond the  
simple pleasure of  
riding down the road.  
Riding in the Zone  
helps riders find that  
state of being. It's the  
experience of being  
physically and mentally  
present in the moment,  
where every sense is

sharply attuned to the ride. Your mind becomes silent to the chatter of daily life, and everyday problems seem to dissolve. You feel a deeper appreciation for life. Your body responds to this state of being with precise, fluid movements, you feel in balance, your muscles are relaxed, and it seems as though every input you make is an expression of mastery. This is "the Zone." Condon identifies all of the factors that affect entering the Zone and addresses each one individually, from the development of awareness and mental skills to mastering physical control of the motorcycle. At the end of each chapter are drills designed to transform the book's ideas into solid,

practical riding skills. Riding in the Zone takes riders to the next level in their skill set. *Suzuki GSX-R and Katana GSX-F* Causey Enterprises, LLC Complete coverage for your Suzuki GSX-R600/750 and 1000 covering GSX-R600 (2001 to 2003), GSX-R750 for (2000 to 2003) and GSX-R1000 (2001-2002) --Routine Maintenance and servicing --Tune-up procedures --Engine, clutch and transmission repair --Cooling system --Fuel and exhaust --Ignition and electrical systems --Brakes, wheels and tires --Steering, suspension and final drive --Frame and bodywork --Wiring diagrams --Reference Section With a Haynes manual, you can do it yourself! --¿from

It's good to talk about ministry. It's better to do it, and do it

Moving to a new Amish settlement in small-town Colorado was a brave new start for independent-minded quiltmaker Esther Kiem. But helping her reckless relative will really put her special matchmaking skills to the test . . .

Mischievous and rebellious, young Ben

Kiem is making the wrong kind of name for himself throughout the town of Byler. And even though his sister-in-law, Esther, somehow coaxes him into keeping company with sensible Linda Eicher, Ben can't see anything they have in common. Or that he could ever be good enough for someone like her. But Linda's down-to-earth nature and unexpected understanding have Ben trying his best to be better, no matter how challenging . . . Linda couldn't be more surprised when Ben turns out to be caring and helpful, despite his rowdy pranks and bad-news friends. And falling in love with him suddenly seems just right. But when a heartbreaking misunderstanding

comes between them, both she and Ben must risk enough to trust, stitch the pieces back together—and dare a forever precious happiness. Praise for Jennifer Beckstrand and Abraham “This is an endearing romance that fans of Wanda Brunstetter will love.” —Publishers Weekly
