**Once Upon an
Island**, Fulcrum
Publishing
A timely and gutsy YA

novel based on the
Tony and Grammy
Award winning musical
from Alanis Morissette,
Diablo Cody, and Glen
Ballard! Swallow it
down—what a jagged
little pill . . . Jagged
Little Pill: The Novel

follows the intertwining lives of five teens whose world is changed forever after the events at a party. Adopted Frankie struggles to see eye-to-eye with her mother—who would rather ignore a problem and preserve their “perfect” life than stand up for what’s right. Jo just wants her mom to accept her queer identity—and is totally crushed when Frankie, the only person who really gets her, finds herself infatuated with someone new. Phoenix tries to find his place at the new school and balance wanting to spend time with Frankie but knowing he also has to help out with his sick sister at home. Bella wants to enjoy the end of high school and just head

off to college without a hitch. Everyone expects Frankie’s brother Nick to be the golden boy, but even though he just got into his dream school, he’s not even sure he’s a good person. Each of their stories intersects when Bella is sexually assaulted at a party, and it looks like the perpetrator might get away with it. Moving, heartfelt, and raw, *Jagged Little Pill: The Novel* draws on the musical’s story and gives readers deeper glimpses of the characters. It’s a story about the power of voicing your pain, standing up for what’s right, and finding healing and connection.

Lulu Press, Inc

In the early 1950s writers were leaving radio en masse to try

their hand at another promising medium—television. William Froug was in the thick of that exodus, a young man full of ideas in a Hollywood bursting with opportunities. In his forty-year career Froug would write and/or produce many of the shows that America has grown up with. From the drama of Playhouse 90 and the mind-bending premises of *The Twilight Zone* to the escapist scenarios of *Adventures in Paradise*, *Gilligan's Island*, *Bewitched*, and *Charlie's Angels*, Froug played a role in shaping his trade. He crossed paths with some of the memorable personalities in the industry, including Jack Benny, Lucille Ball,

Agnes Moorehead, Elizabeth Montgomery, Robert Blake, Rod Serling, Gene Roddenberry, Aaron Spelling, and Sherwood Schwartz. Froug reveals a post-WWII America giddy with the success of its newest medium—yet sobered at moments by strikes and union politics, McCarthyism and anti-Semitism. It was a world of hastily written scripts, sudden firings, thwarted creativity, and fickle tastes. And yet, while clearly exasperated with many aspects of Hollywood, Froug was a man utterly in his element, his frustration with the industry ultimately eclipsed by his dedication to his craft.

Waipio Valley: A
Polynesian Journey
from Eden to Eden
recounts the
remarkable migrations
of the Polynesians
across a third of the
circumference of the
earth. Their amazing
journey began from
Kalana i Hauola, the
biblical Garden of Eden
located along the shore
of the Persian Gulf,
extended to the Indus
River Valley of ancient
Vedic India, to Egypt
where some ancestors
of the Polynesians
were on the Israelite
Exodus, through Island
Southeast Asia and
across the Pacific
Ocean. They voyaged
thousands of miles in
double-hull canoes
constructed from
hollowed-out logs, built
with Stone Age tools
and navigated by the
stars of the night sky.

The Polynesians
resided on numerous
tropical islands before
reaching Waipio Valley,
the last Polynesian
Garden of Eden. Due to
their isolation on the
islands of the Pacific
Ocean, Polynesian
religious and cultural
beliefs have preserved
elements from
mankind's past nearer
the beginning of
human history.
Polynesian mythology
includes genealogical
records of their divine
ancestors that extends
back to Kahiki, their
mystical land of
creation and ancient
divine homeland
created by the gods,
epic tales of gods and
heroes that preserved
records of their ancient
voyages, oral chants
such as the Hawaiian
Kumulipo contain
evolutionary creation
theories that reflect

modern scientific thought, and the belief in a Supreme Creator God.

"The Harbinger opens with the appearance of a man burdened with a message he has received from a mysterious figure called The Prophet. The Prophet has given him nine seals, each containing a message about America's future ... As the story unfolds, each revelation becomes a piece in a greater puzzle -- the ramifications of which will even alter the course of world history."--Publisher's website.

It's the nineties and in

Lagos, Nigeria, the "Nollywood" film industry is exploding. Ayamama dreams of leaving her job at her parents' travel agency and becoming a star. When she auditions for a new film by Nigeria's hottest director, tension flares with his former leading lady—as sparks fly with Nollywood's biggest heartthrob Annie WestBow Press
On a long stretch of green coast in the South Pacific, hundreds of enormous, impassive stone heads stand guard against the ravages of time, war, and disease that have attempted over the centuries to conquer Easter Island. Steven Roger Fischer offers the first English-language history of Easter Island in *Island at the End of the*

World, a fascinating chronicle of adversity, triumph, and the enduring monumentality of the island's stone guards. A small canoe with Polynesians brought the first humans to Easter Island in 700 CE, and when boat travel in the South Pacific drastically decreased around 1500, the Easter Islanders were forced to adapt in order to survive their isolation. Adaptation, Fischer asserts, was a continuous thread in the life of Easter Island: the first European visitors, who viewed the awe-inspiring monolithic busts in 1722, set off hundreds of years of violent warfare, trade, and disease—from the smallpox, wars, and Great Death that

decimated the island to the late nineteenth-century Catholic missionaries who tried to "save" it to a despotic Frenchman who declared sole claim of the island and was soon killed by the remaining 111 islanders. The rituals, leaders, and religions of the Easter Islanders evolved with all of these events, and Fischer is just as attentive to the island's cultural developments as he is to its foreign invasions. Bringing his history into the modern era, Fischer examines the colonization and annexation of Easter Island by Chile, including the Rapanui people's push for civil rights in 1964 and 1965, by which they gained full citizenship and freedom of movement on the

island. As travel to and interest in the island rapidly expand, Island at the End of the World is an essential history of this mysterious site.

A REESE'S BOOK CLUB PICK Shortlisted for the

Women's Prize for Fiction "A wise novel of love and grief, roots and branches, displacement and home, faith and belief. Balm for our bruised times." -David Mitchell, author of Utopia Avenue A rich, magical new novel on belonging and identity, love and trauma, nature and renewal, from the Booker-shortlisted author of 10 Minutes 38 Seconds in This Strange World. Two teenagers, a Greek Cypriot and a Turkish Cypriot, meet at a taverna on the island they both call home. In the taverna, hidden beneath garlands of garlic, chili peppers and creeping honeysuckle, Kostas and Defne grow in their forbidden love for each other. A fig tree stretches through a

cavity in the roof, and this tree bears witness to their hushed, happy meetings and eventually, to their silent, surreptitious departures. The tree is there when war breaks out, when the capital is reduced to ashes and rubble, and when the teenagers vanish. Decades later, Kostas returns. He is a botanist looking for native species, but really, he's searching for lost love. Years later a *Ficus carica* grows in the back garden of a house in London where Ada Kazantzakis lives. This tree is her only connection to an island she has never visited--- her only connection to her family's troubled history and her complex identity as she seeks to untangle years of secrets to find

her place in the world. A moving, beautifully written, and delicately constructed story of love, division, transcendence, history, and eco-consciousness, *The Island of Missing Trees* is Elif Shafak's best work yet.

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new *Suggestions for Further Reading* by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the

hope of adventure seems as far removed from reality as the hope of being rescued. *The Problem of Lemuria* Vintage
This songbook of 14 songs from the much-loved Broadway musical and classic motion picture, *Annie* has been expertly arranged for piano and voice. This is the eBook version of the original, official edition. Including all-time favourites from Charles Strouse and Martin Charnin such as *Tomorrow* and *It's The Hard-Knock Life*.
Contents: *Annie* *Easy Street* *I Don't Need Anything But You* *I Think I'm Gonna Like It Here* *It's The Hard-Knock Life* *Little Girls* *Maybe A New Deal For Christmas* *N.Y.C* *Something Was Missing* *Tomorrow*
