Joe Studwell (Author of How Asia Works)

In How Asia Works, Studwell distills his extensive research into the economies of nine countries—Japan, South Korea, Taiwan, Indonesia, Malaysia, Thailand, the Philippines, Vietnam, and China—into an accessible, readable narrative that debunks Western misconceptions, shows what really happened in Asia and why, and for once makes clear why some countries have boomed while others have languished.

In “How Asia Works”, Joe Studwell tells us how this seeming miracle was made possible: a three-step prescription of land reform, export-focused industrial policy, and financial repression. Japan, South Korea, Taiwan, and (most recently) mainland China have grown rich by following this formula; by ignoring it,
