 Peugeot 106 205 206 306
 Instead, Peugeot followed a unique strategy and decided that its new, smaller, supermini, the Peugeot 106 (launched in 1991), would take sales from the lower end of the 205 range while the lowest models of the Peugeot 306 range, launched in 1993 to replace the Peugeot 309, would take sales from the top-end 205s.
 Peugeot 206 - Wikipedia
 The 206 originally wasn't going to be put into production. After the 205 Peugeot originally decided to make the 106 slightly more luxurious and the 306 slightly more basic to fill the gap of the 20* range. This proved to be a mistake as Peugeot started to lose customers to

competitors and released the 206 which turned out to be their best seller.
