Gyn/Ecology

Penguin
Lauded for its
contribution to
the theory and

<p>conceptualization of the field of women's history and for its sensitivity to the differences of class, ethnicity, race, and culture among women, <i>The Majority Finds Its Past</i> became a classic volume in women's history following its publication in 1979. This edition includes a foreword by Linda K. Kerber, introducing a new generation of readers to Gerda Lerner's considerable</p>	<p>body of work and highlighting the importance of the essays in this collection to the development of the field that Lerner helped establish. <i>The Red Tent</i> Oxford University Press, USA This classic work is designed to cover all of the major movements in literary studies during this century. Noted for its clear, engaging style and unpretentious treatment,</p>	<p>Literary Theory has become the introduction of choice for anyone interested in learning about the world of contemporary literary thought. The second edition contains a major new survey chapter that addresses developments in cultural theory since the book's original publication in 1983, including feminist theory, postmodernism, and poststructuralism.</p>

The Grimké
Sisters from
South Carolina

Vintage
Presenting
major myth
theorists from
antiquity to
the present,
this work
offers a cross-
disciplinary
approach to
the study of
myth.

Rewritten and
restructured,
it reflects the
increased
interest in
myth among
both scholars
and general
readers since
the
publication of
the first
edition.

*Patriarchal
Attitudes*

Amer
Historical Assn

The only
woman in the
Bible who is
noted to have
loved a man,
Queen Michal
was King
David's
childhood
sweetheart,
his first wife,
and daughter
of his great
friend and
greater
enemy, King
Saul. Married
to and then
abandoned by
David at age
14, Michal is
forced to
marry him
again and
become his
first queen ten
years later.
Thrown into
transition and
turmoil,
Queen Michal
resists the

ambition and
greed that
have become
integral to
David's
personality
and kingship.
Acting nobly
as his queen,
but refusing to
compromise
her soul,
Michal is
drawn in
friendship to
the women in
the king's
court. Among
his concubines
and
mistresses is
Bathsheba,
who becomes
the mother of
David's son,
Solomon. In
Queenmaker,
Michal
emerges as a
wise and
loving woman
whose female

family sustains her and establishes the spiritual foundation of the entire kingdom. Queenmaker depicts in unforgettable detail the characters of one of the greatest periods in Biblical history-their public deed and private thoughts-and gives readers the court of the kings as only a woman could see it.

Literary Theory St. Martin's Press "First published in 1970,

Patriarchal Attitudes has since become famous and is considered a classic feminist text. Writing with wit as well as scholarship, Eva Figes examines the factors which have helped place women in subservient roles in most societies, including the influence of Christianity, the rise of capitalism, Freudian psychoanalysis, and sexual taboos. She draws on a wide range of material to illuminate one of the central

issues of our time."--Back cover.

Black Women in White America Routledge Based on the Book of Genesis, Dinah shares her perspective on religious practices and sexual politics. *The Wild Girl* Oxford University Press, USA Who is more important: the reader, or the writer? Originally published in French in 1966, Pierre Machereys first and most famous work,

A Theory of Literary Production dared to challenge perceived wisdom, and quickly established him as a pivotal figure in literary theory. The reissue of this work as a Routledge Classic brings some radical ideas to *The Feminist Reader* Beacon Press. The author presents his interpretations of Marxism, and Lenin's philosophy as well as discussing his ideology and the state.

The Female Experience Beacon Press. The second edition of this highly successful anthology makes available to the feminist reader a collection of essays which does justice to the range and diversity, as well as to the eloquence and the challenge of recent feminist critical theory and practice. The new, enlarged *Feminist Reader* includes Toni Morrison's brilliant discussion of a Hemingway short story, Line Pouchard's reading of Radclyffe Hall's lesbian classic, *The Well of Loneliness*, Marjorie Garber on Elvis and cross-dressing, and Diane Elam on the relation between feminist and postmodernism, in addition to a selection of influential essays by prominent feminist critics and theorists.

Queenmaker Princeton University Press

'Certainly one of the most promising theological statements of our time.' -- The Christian Century 'Not for the timid, this brilliant book calls for nothing short of the overthrow of patriarchy itself.' --The Village Voice From the Trade Paperback edition. A Literature of Their Own Women's Press (UK) This title aims to offer a journey into the interior of language. The author reveals the patriarchal

construction of language and religious imagery, offering alternatives. Teaching Women's History UNC Press Books In a society where adulterous women and unmarried mothers can be stoned, Mary must do some quick thinking when she finds herself with child. To save her own life and that of her child, she weaves a rapturous tale of immaculate conception. Little does she know that the

story will spread like wildfire, with unforeseen consequences .Through diary entries, Sobat's Mary gives us an unfettered view of the life of women in a solidly patriarchal society, repudiating traditional stereotypes and breaking the boundaries of time and place. Provocative and irreverent, author Gail Sidonie Sobat employs a daring blend of contemporary

and historical voice to bring an ancient tale into the realm of the wholly original.

Beyond God the Father

Harper San Francisco
This anthology of female experience in America, draws on the letters, diaries, speeches, and biographies of women from Colonial days to the early days of the women's movement. There are chapters on childhood, marriage, motherhood, single life,

housewifery, old age and death.
The Firebrand
Macmillan
This revised edition includes a New Intergalactic Introduction by the Author. Mary Daly's New Intergalactic Introduction explores her process as a Crafty Pirate on the Journey of Writing Gyn/Ecology and reveals the autobiographical context of this "Thunderbolt of Rage" that she first hurled against the patriarchs

in 1979 and no hurls again in the Re-Surgling Movement of Radical Feminism in the Be-Dazzling Nineties.
The Book of Mary
Minneapolis : University of Minnesota Press
This book attempts to contribute to the growing understanding of the dimensions of Catholic antifeminism. Although it proposes no instant remedy for an illness of such proportions, it suggests

some perspectives in which a cure may be found. Although its chief concern is the problem as it exists in and is perpetuated by the Catholic Church, it never assumes that prejudice within the Church persists without some support from the secular milieu. Ironically, however, the Church in recent times has been in increasingly evident tension with

those movements which have been attempting to liberate women. *The Majority Finds Its Past* University of Alabama Press "In The Grimke Sisters from South Carolina, Gerda Lerner, herself a leading historian and pioneer in the study of Women's History, tells the story of these determined sisters and the contributions they made to the antislavery and woman's

rights movements. Mythography NYU Press In this "stunning collection of documents" (Washington Post Book World), African-American women speak of themselves, their lives, ambitions, and struggles from the colonial period to the present day. Theirs are stories of oppression and survival, of family and community self-help, of inspiring heroism and grass-roots organizational

continuity in the face of racism, economic hardship, and, far too often, violence. Their vivid accounts, their strong and insistent voices, make for inspiring reading, enriching our understanding of the American past.

A Theory of Literary Production

Random House (UK)
When first published in 1977, *A Literature of Their Own* quickly set the stage for the creative

explosion of feminist literary studies that transformed the field in the 1980s. Launching a major new area for literary investigation, the book uncovered the long but neglected tradition of women writers in England. A classic of feminist criticism, its impact continues to be felt today. This revised and expanded edition contains a new introductory chapter

surveying the book's reception and a new postscript chapter celebrating the legacy of feminism and feminist criticism in the efflorescence of contemporary British fiction by women. Thinking about Women After spending a year riding with the Amazon tribes, Cassandra, royal princess of Troy, returns to her city to dedicate herself to being a priestess of

Apollo, in this retelling of the story of the Trojan War.
