*Empowering People and Organisations through Visual Collaboration* Veenman Pub

Includes video access code for over 2 hours of video.

The complete New York Times bestselling White Rabbit Chronicles series by Gena Showalter—*Alice in Zombieland*, *Through the Zombie Glass*, *The Queen of Zombie Hearts*, and *A Mad Zombie Party*—is now available in one digital box set! Plus, a bonus story—the

classic that inspired the series, Lewis Carroll's *Alice's Adventures in Wonderland*! Fall down the zombie hole with Alice Bell as she loses everything she's ever loved...and discovers a destiny alongside Cole Holland's crew of zombie slayers. Cole is the baddest of the bad, the one boys want to be and girls want to tame—but he only has eyes for Ali. They share a connection no one can explain, seeing glimpses into a future of doom and gloom...or love everlasting. Either way, they'll have to navigate a zombie Wonderland of unstoppable action and dangerous secrets, where only one thing is certain: a war is brewing, and it's time to fight—and if necessary, time to die. Filled with hot action, true romance, real friendship and a unique twist on

zombies, *The White Rabbit Chronicles* is not to be missed. Off with their heads!

*The Magic of Simple Drawing for Brilliant Product Thinking and Design*  
*Drawn Together* through Visual Practice demonstrates the power of images as a primary sensemaking device in an age of unprecedented complexity. Twenty-seven advanced practitioners contribute to this volume, sharing experience-based methods and insights. Professionals in visual practice, alongside cross-disciplinary practitioners in other fields, delve into deep and

resonant questions at the core of connection and communication. Leaders in facilitation, conflict mediation, education - and all other areas using visual processes to establish common ground - will find an unparalleled wisdom of experience in these pages.

### **Biting and Humorous Tales of a Software Engineering Manager**

"O'Reilly Media, Inc."

Long to feel less overwhelmed? Wish for clarity in your decision making? Looking for lucidity in your thinking? Seeking confidence in your communication? The simple solution is at your fingertips. Paper and pen. In this guide, Brandy Agerbeck reveals drawing as your best thinking tool, making visual thinking attainable and enjoyable through a set of twenty-four Idea Shapers. Each

concept combines fine art and facilitation to turn abstract ideas into concrete drawing that help you do great things.

*How to Use Your Listening, Thinking and Drawing Skills to Make Meaning Baker Books*

Get ready for the ultimate crash course in communicating and solving problems through simple pictures. Thirty-two thousand years ago, your many-times-great-grandparents Oog and Aag drew pictures on the wall of a cave. They had an innate need to communicate, but no written language. So they found an easy and natural way to share their thoughts and stories. Today, after so many years when speaking and writing dominated, we're back in another highly visual age. About 90 percent of everything shared

online is now visual—selfies, GIFs, smartphone videos, and more. This explosion of communication through pictures isn't a millennial-driven fad; it's as natural as those lines first drawn by Oog and Aag. Just turbo-charged by the latest technology. And yet over the past twenty years, as I've taught people from Fortune 500 CEOs to White House staffers how to harness the power of imagery, the biggest objection I've always heard is, "But I can't draw!" Trust me, you can. You don't need to be da Vinci to be an outstanding visual thinker and communicator. The most effective drawings are the simplest, and you can get good at those in three minutes. In this little book, I'll teach you how to use seven basic shapes to explain just about anything to just about anyone. If you've

read my previous books, you'll see one or two familiar tools here, along with a bunch of new tools you can start using right away. If you're new to my approach—welcome! Get ready to work smarter, communicate more clearly, and get better at whatever you do, just by picking up a pen. Get ready to draw to win.

Pattern Making, Pattern Breaking  
Penguin

How can you establish a customer-centric culture in an organization? This is the first comprehensive book on how to actually do service design to improve the quality and the interaction between service providers and customers. You'll learn specific facilitation guidelines on how to run workshops, perform all of the main service design methods, implement

concepts in reality, and embed service design successfully in an organization. Great customer experience needs a common language across disciplines to break down silos within an organization. This book provides a consistent model for accomplishing this and offers hands-on descriptions of every single step, tool, and method used. You'll be able to focus on your customers and iteratively improve their experience. Move from theory to practice and build sustainable business success.

*Draw Your Big Idea* Apress

Visual Facilitating heißt ein Trendthema, das aus den USA nach Europa herüberschwappt: Mit einfachen Skizzen werden Dialoge, Ideen und komplexe Sachverhalte in Echtzeit visualisiert. Dies ist der erste umfassende Praxisratgeber

für Visual Facilitating im deutschen Sprachraum. Anschaulich zeigt der Autor, wie und in welchen Bereichen sich diese visuelle Sprache in der Praxis anwenden lässt. Zahlreiche praktische Zeichenanleitungen machen die Methode für jedermann umsetzbar. Jeder kann Ideen, Prozesse und abstrakte Zusammenhänge in Meetings, Trainings oder Präsentationen von Hand sichtbar machen! Visual Facilitating ist kein lustiges Add-on zur Auflockerung von Konferenzen, sondern macht komplizierte Zusammenhänge begreifbar. Übrigens: Was ist "UZMO"? Das ist der Code, mit dem jeder aus vier Buchstaben ruckzuck eine wirkungsvolle Glühbirne zeichnen kann. Ganz ohne Kunstausbildung. Eben typisch Visual Facilitating.

## **Drawn Together Through Visual**

**Practice** Center for Creative Leadership  
Use eye-popping visual tools to energize your people! Just as social networking has reclaimed the Internet for human interactivity and co-creation, the visual meetings movement is reclaiming creativity, productivity, and playful exchange for serious work in groups. Visual Meetings explains how anyone can implement powerful visual tools, and how these tools are being used in Silicon Valley and elsewhere to facilitate both face-to-face and virtual group work. This dynamic and richly illustrated resource gives meeting leaders, presenters, and consultants a slew of exciting tricks and tools, including Graphic recording, visual planning, story boarding, graphic templates, idea mapping, etc. Creative

ways to energize team building, sales presentations, staff meetings, strategy sessions, brainstorming, and more Getting beyond paper and whiteboards to engage new media platforms Understanding emerging visual language for leading groups Unlocking formerly untapped creative resources for business success, Visual Meetings will help you and your team communicate ideas more effectively and engagingly.

*The Power of Putting Your Thinking Into Your Own Hands* Moody Publishers

In this increasingly visual age, images speak louder than words. Studies show that images also help people think. Visual note-taking such as doodling increases memory retention rates by nearly 30 percent, and opens creative pathways, strengthens focus, and

inspires self-expression. Driven by these groundbreaking findings, entrepreneurs Nora Herting and Heather Willems founded ImageThink, a graphic facilitation firm that has helped an elite roster of clients—from Google to Pepsi to NASA—visualize their ideas and transform their creative processes using simple drawing techniques that anyone can master. *Draw Your Big Idea* presents their sought-after guidance and more than 150 drawing exercises tailored to brainstorming, refining, and executing ideas in the home, design studio, and office. With this workbook, readers will learn to beat creative block—for good! [How to Facilitate Good Virtual Meetings and Manage Meeting Monsters](#) Alpha Edition  
Edited by Yane Calovski. Interview by

Cicciolina. Text by Yane Calovski. *The Lexicon of Comicana* Penguin

For those wishing to embark on this journey, *The Art of Bible Journaling* first covers the basics, from choosing a Bible to embellishments and art techniques, and then provides more than 60 inspirational projects. Plus, you get bonus items like traceable art, stickers, templates, and more!  
John Wiley & Sons  
"An excellent guide on how teams can effectively work together, regardless of location." —STEPHANE KASRIEL, former CEO of Upwork IN TODAY'S MODERN

GLOBAL ECONOMY, companies and organizations in all sectors are embracing the game-changing benefits of the remote workplace. Managers benefit by saving money and resources and by having access to talent outside their zip codes, while employees enjoy greater job opportunities, productivity, independence, and work-life satisfaction. But in this new digital arena, companies need a plan for supporting efficiency and fostering streamlined, engaging teamwork. In *Work Together Anywhere*, Lisette Sutherland, an international champion of virtual-team strategies, offers a complete blueprint for optimizing team success by supporting every member of every team, including: EMPLOYEES/small advocating for work-from-home options MANAGERS/small

seeking to maximize productivity and profitability TEAMS/small collaborating over complex projects and long-term goals ORGANIZATIONS/small reliant on sharing confidential documents and data COMPANY OWNERS/small striving to save money and attract the best brainpower Packed with hands-on materials and actionable advice for cultivating agility, camaraderie, and collaboration, *Work Together Anywhere* is a thorough and inspiring must-have guide for getting ahead in today's remote-working world.

**Applying Service Design Thinking in the Real World** John Wiley & Sons  
 VisuaLeadership [noun]: The art and science of applying visual thinking and visual communication tools, tips, and techniques, in order to turn your vision

into reality. If a picture is worth a thousand words, and finding the right words takes time, and time is money, then wouldn't it follow that business leaders could make more money—in less time—if they simply took a more “visual” approach to how they manage and lead? Okay, it's not quite that simple...but *VisuaLeadership* will forever change the way you think and communicate by showing how you can quickly and easily leverage the power of visual imagery, mental models, metaphor, analogy, storytelling, and humor to help you take your game to a whole new level. The French novelist Marcel Proust famously wrote that, “The real voyage of discovery consists not in seeking new lands, but in seeing with new eyes.” So, if your vision is to become a better

communicator and presenter, a more innovative thinker, a more productive performer, a more efficient manager, a more effective coach, or a more visionary and inspirational leader, then this exciting new book will open your “mind's eye” to a whole new world: The world of *VisuaLeadership*. “Have you added visual communication to your leadership toolbox? According to Todd Cherches, if you haven't, you're missing out on a powerful tool to capture attention, aid comprehension, and enable your team members to retain the information you need them to use. Packed with examples, *VisuaLeadership* will help you develop this skill so that you can become a better communicator, innovator, and leader.” —Daniel H. Pink, author of *When and Drive* “The most

effective communicators and leaders use the power of story to influence and inspire action. In *VisuaLeadership*, Cherches demonstrates how every role can express their ideas through the use of visual imagery and visual language. This book will help anyone discover how to become a visual leader.” —Nancy Duarte, CEO and bestselling author “I always say that ‘what got you here...won’t get you there.’ To help you ‘get there,’ executive coach Todd Cherches, in his wonderful new book, *VisuaLeadership*, demonstrates how we can all leverage the power of visual thinking to envision—and to achieve—a more successful future.” —Marshall Goldsmith, the world’s #1 Leadership Thinker and Executive Coach  
*The Sketchnote Workbook* "O'Reilly

Media, Inc."

Specialised pictures and poster templates for all sorts of issues relating to personnel, individual personality, organisation development, strategic planning, project management, marketing and the general economy

### **The Art of Bible Journaling** BIS

Publishers

Don't just read the Bible literally—read it Literarily. A lot of times, we treat Scripture like it's all the same from Genesis to Revelation. After all, it only has one Author. Isn't it just one big book, identical from beginning to end? While it's true that the Bible is unified, it is also diverse. The Bible can be grouped according to key categories, called genres, that help us to read and properly interpret the Scriptures. An

understanding of these genres, and the literary themes and devices used within them, makes all the difference when encountering God's Word. Long-time Bible teacher Kristie Anyabwile discovered as she prepared her lessons that a single inductive approach doesn't do justice to the variety of genres that make up the Word of God. Because Scripture is a collection of writings that spans 1,500 years, many literary styles are represented and each must be taken into account for the fullest understanding of God's Word. Kristie shows you the immense value of studying the Bible literarily—that is, according to the literary style presented in a particular book, chapter, or passage. In *Literarily*, Kristie will take you through these eight distinct genres: Law History

Prophecy Poetry Gospels Epistles Wisdom Apocalyptic The Bible is an epic story that God has revealed to us through diverse genres and literary features. Its message and method are both meant to transform our hearts. Our goal as interpreters isn't to meld the Scriptures into a bland conglomerate, but to recognize the multiple forms in which God's Word comes to us. In so doing, we'll encounter the ongoing story of Jesus's redemption and learn how He calls His people to live in our complex world today.

**A Crash Course on How to Lead, Sell, and Innovate With Your Visual Mind** Get Creative 6

Learn how to sketch simple yoga 'stick figures' to capture and plan your yoga sequences with this simple, step-by-step

system that can be quickly learned, even without any drawing or sketching skills. Also available as an e-book: [www.yogannotes.net](http://www.yogannotes.net) The first part of the book explains the basic principles of sketching and constructing the yoga stick figures and combining them into sequences. The second part contains step-by-step instructions for sketching over 80 of the most common asanas and their variations. Who is this book for? For Yoga Teachers & Coaches: If you teach yoga classes or work with your own private clients, sketching is a great way to plan out sequences and practice plans in a visual way. You can use them as a visual overview during class (if you haven't fully memorised the sequence yet). They also make great handouts for your students after a workshop or as

personalised practice plans for your one-on-one clients. For Teacher Training Attendees: If you are learning to be a yoga teacher there is a lot of information to take in and to process. Taking visual notes and using sketches to capture the details about postures, alignment and anatomy will help you to get the most out of your training. The notes you create will be clearer, more engaging and actually fun to look at and revise again later. For Students & Practitioners: If you study or practice yoga, you can sketch out your favourite sequences to use as a guide during your home practice or for when you are travelling. Sketch out that great class you attended at your yoga studio or the nice one you found on YouTube. The sketched overview will be the perfect cheat sheet

to keep by your mat during your own practice.

*Literarily* Walter de Gruyter GmbH & Co KG

More and more people have to organize or moderate innovation processes, creative workshops and design thinking projects and need help when choosing appropriate tools. At the same time, the number of available methods has virtually exploded in recent years – making it difficult to find the most appropriate method. This book presents 555 of the most important innovation methods and tools, selected and curated by experienced innovation professionals. A step-by-step explanation for each method allows for easy implementation in your own team meeting or workshop. Further information on each method,

such as method results, experience insights, required innovation skills and numerous illustrations help the reader to select the right instrument and adapt it to their respective goal. Whether you are a beginner or a professional, the book will help you to select methods quickly and safely. Innovation managers and everyone responsible for projects and products will find invaluable help for their work in this dictionary. It also offers a Design Thinking reference for all methods as well as a free online method search with various search paths.

*The Doodle Revolution* Chronicle Books

This publication is a comprehensive guide to complement a facilitator's use of the Leadership Metaphor Explorer tool - A dynamic, interactive tool designed to stimulate creative, insightful

conversations in and among groups about leadership.

*Adjunct Proceedings from the INTERACT 2019 Workshops* Berrett-Koehler Publishers

From the New York Times bestselling author of *My Share of the Task* and *Leaders*, a manual for leaders looking to make their teams more adaptable, agile, and unified in the midst of change. When General Stanley McChrystal took command of the Joint Special Operations Task Force in 2004, he quickly realized that conventional military tactics were failing. Al Qaeda in Iraq was a decentralized network that could move quickly, strike ruthlessly, then seemingly vanish into the local population. The allied forces had a huge advantage in numbers, equipment, and training—but

none of that seemed to matter. To defeat Al Qaeda, they would have to combine the power of the world's mightiest military with the agility of the world's most fearsome terrorist network. They would have to become a "team of teams"—faster, flatter, and more flexible than ever. In *Team of Teams*, McChrystal and his colleagues show how the challenges they faced in Iraq can be relevant to countless businesses, nonprofits, and organizations today. In periods of unprecedented crisis, leaders need practical management practices that can scale to thousands of people—and fast. By giving small groups the freedom to experiment and share what they learn across the entire organization, teams can respond more quickly, communicate more freely, and

make better and faster decisions.  
Drawing on compelling examples—from  
NASA to hospital emergency

rooms—Team of Teams makes the case  
for merging the power of a large  
corporation with the agility of a small  
team to transform any organization.
