Invisible Monsters: A Novel Anchor

Haunted is a novel made up of twenty-three horrifying, hilarious, and stomach-churning stories. They're told by people who have answered an ad for a writer's retreat and unwittingly joined a "Survivor"-like scenario where the host withholds heat, power, and food. As the storytellers grow more desperate, their tales become more extreme, and they ruthlessly plot to make themselves the hero of the reality show that will surely be made from their plight. This is one of the most disturbing and outrageous books you'll ever read, one that could only come from the mind of Chuck Palahniuk.

#1 Wall Street Journal Bestseller Instant New York Times Bestseller A game-changing approach to marketing, sales, and advertising. Seth Godin has taught and inspired millions of entrepreneurs, marketers, leaders, and fans from all walks of life, via his blog, online courses, lectures, and bestselling books. He is the inventor of countless ideas that have made their way into mainstream business language, from Permission Marketing to Purple Cow to Tribes to The Dip. Now, for the first time, Godin offers the core of his marketing wisdom in one compact, accessible, timeless package. This is Marketing shows you how to do work you're proud of, whether you're a tech startup founder, a small business owner, or part of a large corporation. Great marketers don't use consumers to solve their company's problem; they use marketing to solve other people's problems. Their tactics rely on empathy, connection, and emotional labor instead of attention-stealing ads and spammy email funnels. No matter what your product or service, this book will help you reframe how it's presented to the world, in order to meaningfully connect with people who want it. Seth employs his signature blend of insight, observation, and memorable examples to teach you: * How to build trust and permission with your target market. * The art of positioning--deciding not only who it's for, but who it's not for. * Why the best way to achieve your goals is to help others become who they want to be. * Why the old approaches to advertising and branding no longer work. * The surprising role of tension in any decision to buy (or not). * How marketing is at its core about the stories we tell ourselves about our social status. You can do work that matters for people who care. This book shows you the way.

Twenty one stories and one novella from Chuck Palahniuk, literature's favorite transgressive author, Make Something Up is a compilation that disturbs and delights in equal measure. In "Expedition," fans will be thrilled to find to see a side of Tyler Durden never seen before in a precursor story to Fight Club. And in other stories, the absurdity of both life and death are on full display; in "Zombies," the best and brightest of a high school prep school become tragically addicted to the latest drug craze: electric shocks from cardiac defibrillators. In "Knock, Knock," a son hopes to tell one last off-color joke to a father in his final moments, while in "Tunnel of Love," a massage therapist runs the curious practice of providing 'relief' to dying clients. Funny, caustic, bizarre, poignant; these stories represent everything readers have come

Bait: Off-Color Stories for You to Color National Geographic Books

If twenty-five years can discover the internet, the cell phone, this thing called the iPod, can twenty-five years discover the secret of a girl murdered, abandoned, by the side of the road? That is the haunting premise of Bury This, an impressionistic literary thriller about the murder of a young girl in small-town Michigan in 1979. Beth Krause was by all intents a good little girl - member of the church choir, beloved daughter of doting parents, friend to the downtrodden. But dig a little deeper into any small town, and conflicts and jealousies begin to appear. And somewhere is that heady

mix lies the answer to what really happened to Beth Krause. Her unsolved murder becomes the stuff of town legend, and twenty-five years later the case is re-ignited when a group of film students start making a documentary on Beth's fateful life. The town has never fully healed over the loss of Beth, and the new investigation calls into light several key characters: her father, a WWII vet; her mother, once the toast of Manhattan; her best friend, abandoned by her mother and left to fend for herself against an abusive father; and the detective, just a rookie when the case broke, haunted by his inability to bring Beth's murderer to justice. All of these passions will collide once the identity of Beth's murderer is revealed, proving once again that some secrets can never stay buried.

Legacy: An Off-Color Novella for You to Color Crown

An all-new collection of short fiction from the author of Fight Club, that also doubles as an adult coloring book! New York Times bestselling novelist Chuck Palahniuk presents Bait: Off-Color Stories for You to Color, his first ever coloring book for adults. Bait is both the coloring book debut and the second short story collection for Palahniuk, author of Lullaby and Fight Club. The 8.5 x 11 inch hardcover album contains eight bizarre tales, illustrated in detailed black and white by Joëlle Jones (Lady Killer), Lee Bermejo (The Suicides), Duncan Fegredo (Hellboy), and more. Each story is paired with pieces of colorable original art, nearly 50 in all! Palahniuk invites readers to collaborate on this unprecedented hardcover edition: "Maybe between your colors, the artists' designs, and my stories we can create something that endures. Something worth keeping. Let's create a well-bound book that can sit on any shelf and be available for a new generation to discover and enjoy."

Palahniuk's short stories are provocative and not for the faint of heart. (His public readings are notorious for making audience members pass out.) Kirkus Reviews described Palahniuk's 2015 short story collection Make Something Up: Stories You Can't Unread as "Pathos and panic and penitence from one of the darkest and most singular minds in contemporary American lit." Bait continues in that vein with stories about: A passenger on the Titanic who finds a surgical solution to the obstacle of "women and children first". A Hollywood star whose fading brand faces a viral (and scatological) internet campaign. An animal psychic who coaxes a statement from a fish that witnessed a political assassination. Increasingly terrible birthday gifts that place a girl at the center of an extinction-level event. Reviews for 2015's Make Something Up: "Palahniuk finds sincerity among his characters even in disreputable occurrences."-- Publishers Weekly "He makes it absolutely clear that he's still the man who wrote 'Guts,' the infamous story that made fans pass out at readings." --Kirkus Reviews Reviews for Fight Club 2: "At turns deeply poignant and very funny, Palahniuk's freakish fables capture a twisted zeitgeist and add an oddly inspirational and subversive voice to the contemporary canon . . . In the post-9/11 present, a hyperactive, Internet-obsessed, war- and recession-weary America apparently needs Tyler again."--The Atlantic "Chuck Palahniuk's Fight Club 2 is as much a kinetic read as it is a pivotal watermark for the comic industry to receive such a high-profile cross-media debut. We are Jack's eager eyes."--Paste

Lullaby Doubleday Canada

"As gleefully, vividly, hilariously obscene as you'd expect. . . . Irreverent and hugely entertaining." --NPR From the bestselling author of Fight Club comes a dark and brilliant satire about adolescence, Hell, and the Devil. Madison is the thirteen-year-old daughter of a narcissistic film star and a billionaire. Abandoned at her Swiss boarding school over Christmas, she dies over the holiday, presumably of a marijuana overdose. The last thing she remembers is getting into a town car and falling asleep. Then she's waking up in Hell. Literally. Madison soon finds that she shares a cell with a motley crew of young sinners: a cheerleader, a jock, a nerd, and a punk rocker, united by their doomed fate, like an afterschool detention for the damned. Together they form an odd coalition and march across the unspeakable landscape of Hell--full of used diapers, dandruff, WiFi blackout spots, evil historical figures, and one horrific call center--to confront the Devil himself.

The hyperactive love child of Page Six and Whatever Happened to Baby Jane? caught in a tawdry

love triangle with The Fan. Even Kitty Kelly will blush. Soaked, nay, marinated in the world of vintage Hollywood, Tell-All is a Sunset Boulevard-inflected homage to Old Hollywood when Bette Davis and Joan Crawford ruled the roost; a veritable Tourette's syndrome of rat-tat-tat name-dropping, from the A-list to the Z-list; and a merciless send-up of Lillian Hellman's habit of butchering the truth that will have Mary McCarthy cheering from the beyond. Our Thelma Ritter-ish narrator is Hazie Coogan, who for decades has tended to the outsized needs of Katherine "Miss Kathie" Kenton—veteran of multiple marriages, career comebacks, and cosmetic surgeries. But danger arrives with gentleman caller Webster Carlton Westward III, who worms his way into Miss Kathie's heart (and boudoir). Hazie discovers that this bouncer has already written a celebrity tell-all memoir foretelling Miss Kathie's death in a forthcoming Lillian Hellman-penned musical extravaganza; as the body count mounts, Hazie must execute a plan to save Katherine Kenton for her fans—and for posterity. Tell-All is funny, subversive, and fascinatingly clever. It's wild, it's wicked, it's bold-faced—it's vintage Chuck.

Chuck Palahniuk's world has always been, well, different from yours and mine. In his first collection of nonfiction, Chuck Palahniuk brings us into this world, and gives us a glimpse of what inspires his fiction. At the Rock Creek Lodge Testicle Festival in Missoula, Montana, average people perform public sex acts on an outdoor stage. In a mansion once occupied by The Rolling Stones, Marilyn Manson reads his own Tarot cards and talks sweetly to his beautiful actress girlfriend. Across the country, men build their own full-size castles and rocketships that will send them into space.

Palahniuk himself experiments with steroids, works on an assembly line by day and as a hospice volunteer by night, and experiences the brutal murder of his father by a white supremacist. With this new direction, Chuck Palahniuk has proven he can do anything.

Madison Spencer, the liveliest and snarkest dead girl in the universe, continues the afterlife adventure begun in Chuck Palahniuk's bestseller *Damned*. Just as that novel brought us a brilliant Hell that only he could imagine, *Damned* is a dark and twisted apocalyptic vision from this provocative storyteller. The bestselling *Damned* chronicled Madison's journey across the unspeakable (and really gross) landscape of the afterlife to confront the Devil himself. But her story isn't over yet. In a series of electronic dispatches from the Great Beyond, *Damned* describes the ultimate showdown between Good and Evil. After a Halloween ritual gone awry, Madison finds herself trapped in Purgatory—or, as mortals like you and I know it, Earth. She can see and hear every detail of the world she left behind, yet she's invisible to everyone who's still alive. Not only do people look right through her, they walk right through her as well. The upside is that, no longer subject to physical limitations, she can pass through doors and walls. Her first stop is her parents' luxurious apartment, where she encounters the ghost of her long-deceased grandmother. For Madison, the encounter triggers memories of the awful summer she spent upstate with Nana Minnie and her grandfather, Papadaddy. As she revisits the painful truth of what transpired over those months (including a disturbing and finally fatal meeting in a rest stop's fetid men's room, in which . . . well, never mind), her saga of eternal damnation takes on a new and sinister meaning. Satan has had Madison in his sights from the very beginning: through her and her narcissistic celebrity parents, he plans to engineer an era of eternal damnation. For everyone. Once again, our unconventional but plucky heroine must face her fears and gather her wits for the battle of a lifetime. Dante Alighieri, watch your back; Chuck Palahniuk is gaining on you.
